Dear Father Nathaniel:

I loved your beautiful card and note. You know, the thing that makes it possible for me to hold this job is based solidly on the wisdom and the courage and the ability of the people who let me work with them in Mississippi. And you are surely a principal person in that list of things. I thank you, too, then for all of those years of encouragement and the opportunity to work in the same vineyard. Please give my love to everyone there at St. Francis.

With great affection and gratitude,

Patricia M. Derian
Coordinator for Human Rights
and Humanitarian Affairs

Reverend Nathaniel Machesky, O.F.M.,
P. O. Box 938,
